A Reflection on today's Gospel Luke 9: 11-17

The feeding of the five thousand or the multiplying of the loaves and fish was a miracle.

How did Jesus do it? He did it by the power of God.

This is a simplistic statement, but carries an enormous truth. It is not so much that the power of God is beyond human power as that the power of God is other than human power.

That this "other than human" power is indefinably great is evident. We may know what kind of power it is through the things that He has created, from the unique pattern of every snowflake that falls, to the ability of birds to fly in defiance of the laws of gravity. These are miracles we see **every day**.

<i>Anima Christi</i>
<p>Soul of Christ, sanctify me Body of Christ, save me Blood of Christ, inebriate me Water from the side of Christ, wash me Passion of Christ, strengthen me O good Jesus, hear me Within Thy wounds hide me Separated from Thee let me never be From the malicious enemy defend me In the hour of my death call me And bid me come unto Thee That I may praise Thee with Thy saints. Forever and ever Amen</p>

<i>Prayer to St Michael the Archangel</i>
<p>St. Michael the Archangel, defend us in the day of battle. Be our safeguard against the wickedness and snares of the Devil. May God rebuke him, we humbly pray and do thou, Prince of the heavenly hosts, by the power of God, cast down to hell Satan, and all wicked spirits, who wander through the world for the ruin of souls. Amen</p>
